# AIRBNB WARNING

- **DO NOT MAKE THE AIRBNB MISTAKE!**
- Owners can cancel your reservation before you arrive and without penalty ... then your group is stuck with plane tickets and nowhere to stay. (This happens a LOT)
- Most AirBnB houses are not party friendly and you will not know this until after you arrive.
- The location of the house is often not where it is stated.
- We rescue many groups who first make the mistake of booking a house through AirBnB and end up stranded. Don't let this happen to you!
